MBBI 2027

SPONSORSHIP PROGRAM

February 1, 2027 – January 31, 2028

Welcome to the 2027 MBBI Annual Sponsorship Program to showcase your firm. We are excited for you to participate and enjoy the recognition our sponsors receive in the M&A community. Our networking and educational programs continue to attract an increasing audience at which sponsors are featured in a positive, professional manner.

MBBI sponsors receive benefits and discounts that far exceed the cost of sponsorship.
One good referral easily pays the cost of sponsorship for several years.

A Global Sponsorship puts you front and center in all five chapters IL, IA, IN, MN and WI at a discounted price. A Global Sponsorship puts your firm front and center throughout all MBBI activities.

These are a few highlights of your annual sponsorship:

- Recognition at events
- Membership for you and your associates including access to industry information and tools
- Complimentary attendance at regular MBBI meetings
- Participation opportunities at premier events
- Sponsor logo included in MBBI communications and social media
- Preferential opportunities for inclusion in events

Please refer to the following chart for the outline of benefits for each sponsorship level. We are asking for your commitment by December 31, 2026. As always, sponsor logos will be placed on MBBI banners, emails, and promotional material in the order payments are received. We therefore urge you to ensure your organization receives top placement by submitting your payment as soon as possible.

CHOOSE YOUR 2027 SPONSORSHIP

Platinum sponsorships are limited and subject to confirmation. For assistance email info@mbbi.org or call 847-847-7703.

Thank you for your consideration of continuing or becoming an MBBI Sponsor!

Best regards,
MBBI Sponsorship Committee
